

A vibrant tropical illustration on a teal background. Two pink flamingos stand in the lower half, facing each other. The scene is filled with lush greenery, including palm trees, ferns, and various leafy plants. Pink hibiscus flowers are scattered throughout. The text 'TROPIC Vice' is centered in the upper half, with 'TROPIC' in a white, spaced-out sans-serif font and 'Vice' in a white, elegant cursive script.

TROPIC
Vice

Our resident lovebirds Franky and Franceska met when their flocks crossed paths in the Everglades of Florida. Argentinian Franky fell for the long-legged Cuban and a mutual zest for food ignited an enduring romance. For years they crossed continents and indulged in the world's flavours. yet a taste for South American pepper and Caribbean spices never strayed from their hearts. After quenching nomadic desires they decided to nest at their favourite food destination. accepting the position as Tropic Vice's curators. As their guest. Franky and Franceska welcome you and offer their most treasured possession - the gift of experience in exquisite cuisine.
